Dear Global Sports Academy,

As the assistant vice president and director of athletics for the past 28 years at Holy Family University, I can offer the following comments with certainty.

Dealing with Global Sports Academy was easy and a pleasure from when I first met Roy Blumenthal. He was organized and handled every detail of the trip. His wealth of knowledge traveling with student-athletes made the trip a once in a lifetime experience for them. Before departure, he met with the entire travel party and educated everyone on the culture and nuances of the cities in Italy. Everyone knew what to expect prior to our arrival.

I've traveled to Italy three times prior to this trip with Global Sports Academy. I can assure you that this trip was by far the best experience and most enjoyable time that I had. I would recommend traveling with Global Sports Academy to everyone!

I wish you the best of luck with your business and a safe journey for all who travel with you.

Sincerely,

Sandra Michael
